PRESS RELEASE

3 May 2026

Community skills programme expands training pathways

Local training hours increase through graduate and internship pipelines.

DreamCore's social investment prioritises employability near Mpanda.

Training modules, local procurement mentoring, and safety inductions support contractors and graduates entering the operating system.

About DreamCore Minerals Limited

DreamCore Minerals Limited is a Tanzanian mining, exploration, and mineral-processing company. Our work is centred on the Mpanda Gold Project in Katavi Region, with corporate leadership in Dodoma, and a growing portfolio that includes Magamba and Dodoma–Chamwino. We develop open-pit mining and processing infrastructure designed with host communities, regulators, and capital partners in view — creating long-term value through responsible operations, engineering discipline, and genuine partnership.
